ABOUT US

The Trade Ville Business Services Limited is a wholly owned Nigerian company based in Lagos, Nigeria. Established in January 2013, The Trade Ville offers professional services in Procurement, Real Estate & Construction and General Contracting. Our other value-adding services include Facility Management, Agriculture, Haulage & Logistics, Oil and Gas.

At The Trade Ville, our focus is to stay ahead of the technology curve. Hence, we are abreast of the latest innovations in all the industries where we operate. This has enabled us deliver world class services to and for our clients.

MISSION STATEMENT

To surpass the expectations and requirements of our clients in providing quality and tailor-made professional and allied services while delivering value to our stakeholders.

To continually innovate, develop and adopt state-of the-art technology in methods and materials to enhance productivity and cost effectiveness.

To contribute to the development of the local community and society at large as a part of our corporate social responsibility.

VISION

To be the most trusted brand for quality and value creation across all the industries where we operate and strive for excellence through Innovation, Quality, Service Delivery and Overall Efficiency.

CORE VALUE

At the core of our business are the following credo, they guide our day-to-day activities, what we do and how we want to be seen by client, competitors and all other stakeholders:

- We build **RELATIONSHIPS**
- We deliver **RESULTS**
- We take **OWNERSHIP**
- We Strive for **EXCELLENCE**
- We **RESPECT** individuals
- We **TRUST** one another

STRENGTH

We are proud of our capacity as we guiding our day-to-day activities, what we do and how we want to be seen by client, competitors and all other stakeholders:

- Focus Value Realization
- Team Work
- Staff Accountability
- Diversified Portfolio
- Focused Customer Service

TOUCHING LIVES

Our activities and actions are guided by the philosophy to make the world a better place for us all. We are thus cognizant of environmental, societal and governance (ESG) responsibilities to achieve a better world. Through various partnerships and initiatives, we cherish and support all categories of stakeholders including, customers, communities regulators and vendors.

Our responsibility towards vulnerable groups as members of our society is also not lost on us. Our outreach and sustained support for vulnerable groups in Nigeria have been applauded in various quarters.

We strive to sustain our modest contributions to humanity through a shared vision of making life meaningful for all and sundry.

Join us in making everyone happy.
